Create a tranquil space in the heart of your home with our solid American oak Magnus Extension Dining Table. With a refined, elegant combination of soft curves and clean lines, the timeless design brings the perfect blend of authenticity and simplicity, plus the added versatility of the extendable size.

Serving as the relaxed hub of busy home, Magnus's smooth, rounded corners serve both practicality and style. The extension table uses an easy sliding mechanism to accommodate extra guests. The durability of solid oak makes the Magnus dining table one of our best selling pieces - designed for living and built to last for decades to come.
